

Your Lifetime Adviser

Tammie Cook

Hello, I'm Tammie,

I am a Later Life Lending Specialist with Home Finance Solutions.

I started my career in accountancy and have always loved working with figures. I moved from accountancy into the property industry and have worked in every aspect of property management and development, with a natural progression into the world of mortgage advice.

I have moved on from the basic mortgage advice gaining the specialist qualifications required to give advice on Equity Release products. I believe that my passion and dedication to learning, problem solving, and figures greatly benefits my clients, as I can dedicate both my expertise and commitment into assisting them through their journey of arranging later life finance.

On a personal note I am a mum of two and when I am not spending time with my family I love to be outside enjoying playing and watching all sporting activities.

I am very much looking forward to having the opportunity to meeting you in person and working with you to fulfil your dreams in later life. Any questions at all please do not hesitate to get in touch I will be happy to help!

Home appointments always welcome.
